None									

I certify that the LSS is in compliance with the Gun-Free Schools Act of 2001 and Code of Maryland Regulations 13A.08.01.12-1 and that the LSS has a policy that:

- Requires the expulsion from school, for a period of not less than one calendar year, of any student who brought/possessed a firearm onto/on school property or to/at a school-sponsored activity;
- Requires referral to the criminal justice or juvenile delinquency system of any student who brought/possessed a firearm onto/on school property or to/at a school-sponsored activity; and
- Permits the local superintendent to modify the one year expulsion on a case-by-case basis and requires the LSS to maintain a written record of all such modifications.

## FACILITIES TO SUPPORT MASTER PLAN STRATEGIES

- A. OVERALL FACILITIES PLAN:** The major facility need of Somerset County Public Schools is the renovation of Washington High School. This school is now thirty years old and in desperate need of major systemic and programmatic renovations. We are currently in the early stages of design of this renovation and will seek State and local funding for FY 2010. Due to the current economic downturn in both the State and local economies SCPS is backing off our other major renovation and capital expenditures for one year to allow for maximum local funding of this project.
- B.** Currently, Somerset County Public Schools is able to house kindergarten and prekindergarten classes in our facilities. Two of our four schools offering kindergarten and prekindergarten programs are utilizing relocatable classrooms. In order for SCPS to expand our kindergarten and prekindergarten classes, we would need additions at these two schools (Princess Anne Elementary and Woodson Elementary). This need would be even more immediate if SCPS were to take over the Head Start Program in Somerset County.
- At Princess Anne Elementary we would need to add at least two classrooms for an expanded prekindergarten program alone. Were we to add the Head Start Program we would need four to six additional classes. At Woodson Elementary we would also need a minimum of two additional classes for prekindergarten and four to six additional classes to include the Head Start Program in Crisfield.
